

What do I do if my child was a “close contact”* of someone who tested positive for COVID-19?

*A Close Contact is someone who has been within 6 feet- for 15 minutes or more- of someone who tested positive for COVID-19.

Where can I get my child tested?
Testing can be done by your child's healthcare provider or at a free COVID-19 testing site - find one here: sccfreetest.org.
If you need assistance with housing, transportation, meals, etc. while your child is isolating or quarantining at home, call 408-885-3980.
